

## **Instructions for completing the Community Partners Grant**

The attached grant application form is an Adobe Acrobat form. Most all computers have this free software installed. If you have Adobe software you may be able to complete this form from your desktop application.

Once you have completed the form, save it to your documents folder. You may now forward the application as an “attachment” to an email directed to the email address located at the bottom of the application form.

If you are unfamiliar with this process, or if your particular computer setup does not allow for completion of Adobe .pdf forms, you may submit the application via the U.S. mail. Simply print the document, fill in the application, and then mail it to the address provided at the bottom of the application. If you use this method, please print. A contact name and telephone number is required. This person will be the primary contact between the Grant Committee and the applicant.
